

8th Grade Supply List 2022-2023

Before the start of school, students need to gather the necessary materials for their classes. Keokit is our local small business partner who provides the option of purchasing prepared kits of all your school supplies. You can order directly from them at <https://keokit.com/bts>. **Due to pandemic-related production changes, Keokit recommends that you place orders as soon as possible to ensure product availability and timely delivery.** All orders placed by July 12th receive free shipping.

Please put your child's name on all supplies. Teachers will take time in class to explain how to set up the binders and will identify which supplies can stay at home and which supplies stay at school. Menlo Student Planners will be distributed at the beginning of the school year. Students do not need to bring books or supplies other than paper and pencil on the first day of school. Find out more about the BYOD (bring your own device) program [here](#).

Instructions

1. There are supplies that all 8th grade students need to have. These items are shown in the table labeled **"Required for ALL 8th grade students"**
2. Students will also take a world language course and each class has specific requirements in addition to the general list. Find your student's language course and obtain the supplies shown in **"Additional items for specific classes"**

For your reference: Although teachers will instruct students on using their materials, the breakdown of requests by class is shown in **"Teacher requests by class"**
